Overview of 10535 Hospital Way Mather CA 95655

The address 10535 hospital way mather ca 95655 is predominantly known as the location of the Mather Veterans Affairs Medical Center. Situated in Sacramento County, this facility is a part of the VA Northern California Health Care System. It plays a vital role in delivering healthcare to veterans in the region, combining both outpatient and inpatient services to meet diverse medical needs. The medical center's strategic location in Mather provides accessibility to a broad population base, including veterans residing in and around Sacramento.

This address is not just a geographical marker but a hub for specialized medical care, research, and veteran support services. The center operates with a mission to enhance the health and well-being of veterans through high-quality clinical programs, education, and research initiatives.

Healthcare Services Offered

At 10535 hospital way mather ca 95655, a wide range of healthcare services is available to address various medical conditions and promote wellness among veterans. The medical center is equipped to provide both general and specialized services tailored to the unique health profiles of military veterans.

Primary and Specialty Care

The facility offers comprehensive primary care including preventive health screenings, chronic disease management, and routine check-ups. Specialty care services available include cardiology, neurology, oncology, mental health, and rehabilitation medicine. This multidisciplinary approach ensures that patients receive holistic care addressing both physical and mental health.

Mental Health and Counseling Services

Mental health support at 10535 hospital way mather ca 95655 is a significant component of the care provided. Veterans have access to counseling, psychiatric services, substance abuse treatment, and support groups. The center focuses on addressing issues such as PTSD, depression, and anxiety disorders prevalent among veterans.

Additional Medical Programs

Other specialized programs include pharmacy services, laboratory diagnostics, imaging, dental care, and physical therapy. The availability of these services under one roof facilitates coordinated and efficient patient care.

Facility and Infrastructure

The infrastructure at 10535 hospital way mather ca 95655 is designed to support advanced medical care and patient comfort. The medical center encompasses multiple buildings equipped with state-of-the-art technology and modern amenities to enhance healthcare delivery.

Medical Equipment and Technology

The facility utilizes cutting-edge diagnostic and treatment technologies, such as MRI and CT scanners, electronic medical records, and telehealth services. These tools enable accurate diagnosis, efficient treatment, and remote healthcare access.

Patient Accommodation and Amenities

Patient rooms and waiting areas are designed to provide a comfortable and healing environment. Amenities include wheelchair accessibility, patient lounges, cafeteria services, and ample parking space for visitors and patients.

Safety and Compliance

Strict adherence to healthcare regulations and safety protocols is maintained at the center. Infection control measures, emergency preparedness, and quality assurance programs are integral to the facility's operations.

Patient Resources and Support

10535 hospital way mather ca 95655 offers a variety of patient resources aimed at improving the healthcare experience and supporting veteran patients in navigating their medical journey.

Patient Registration and Appointments

Veterans can register for medical services and schedule appointments through multiple channels, including phone and online portals. The center emphasizes streamlined processes to reduce wait times and enhance service accessibility.
