Frequently Asked Questions

Is the 2020 Nissan Murano available with a manual transmission?

No, the 2020 Nissan Murano is not available with a manual transmission. It comes exclusively with a continuously variable transmission (CVT).

What type of transmission does the 2020 Nissan Murano use?

The 2020 Nissan Murano uses a continuously variable transmission (CVT) for all trims.

Can I find a 2020 Nissan Murano with a manual gearbox?

No, Nissan did not offer a manual gearbox option for the 2020 Murano; it is only available with an automatic CVT.

Why doesn't the 2020 Nissan Murano come with a manual transmission?

The 2020 Nissan Murano is designed as a midsize crossover SUV focused on comfort and fuel efficiency, and Nissan chose the CVT to optimize these aspects rather than offering a manual transmission.

Are there any Nissan SUVs similar to the Murano that offer a manual transmission?

Most Nissan SUVs, including the Rogue and Pathfinder, do not offer manual transmissions either. Manual transmissions are rare in modern SUVs.

What are the benefits of the 2020 Nissan Murano's CVT compared to a manual transmission?

The CVT in the 2020 Nissan Murano provides smoother acceleration, better fuel efficiency, and a more comfortable driving experience compared to a manual transmission.

Can I retrofit a manual transmission into a 2020 Nissan Murano?

Retrofitting a manual transmission into a 2020 Nissan Murano is not practical due to the complex integration of the CVT with the vehicle's drivetrain and electronics.

How does the lack of manual transmission affect the driving experience of the 2020 Nissan Murano?

Without a manual transmission, the 2020 Nissan Murano offers a more relaxed and easier driving experience, though it lacks the driver engagement that some enthusiasts prefer.

Is there any 2020 Nissan Murano trim that offers a sportier transmission option?

No, all trims of the 2020 Nissan Murano come with the same CVT; there are no sportier transmission options like a manual or dual-clutch available.

What are some alternatives to the 2020 Nissan Murano if I want a manual transmission SUV?

If you want a manual transmission SUV, you might consider older models of Jeep Wrangler or Subaru Crosstrek, as most modern SUVs, including the Murano, have moved away from manual gearboxes.
