Familiarity with the exam format is crucial for effective preparation and time management during the actual test.

Exam Sections Overview

The AP Literature and Composition exam consists of two main sections: multiple-choice questions and free-response questions. Each section tests different competencies related to literary understanding and analytical writing.

- **Multiple-Choice Section:** This section includes approximately 55 questions that assess students' ability to analyze excerpts from prose and poetry. The questions focus on literary devices, themes, tone, and style.
- **Free-Response Section:** This section requires students to write three essays. These essays typically include a literary analysis of a poem, analysis of a prose passage, and an open-ended essay on a literary work of the student's choice.

Timing and Scoring

The multiple-choice section lasts for 60 minutes, while the free-response section is allotted 120 minutes.
