

around the world in 80 days with michael palin

Around the World in 80 Days with Michael Palin is a captivating television documentary series that takes viewers on an extraordinary journey inspired by Jules Verne's classic novel, "Around the World in Eighty Days." Michael Palin, a renowned British actor, writer, and television presenter, embarks on this adventurous quest, showcasing his remarkable storytelling ability and his passion for travel. This article delves into the series' premise, the experiences of Michael Palin, and the cultural insights gained along the way.

The Premise of the Journey

Michael Palin's adventure is a modern-day homage to the 1873 novel, which follows Phileas Fogg, who makes a wager that he can circumnavigate the globe in just 80 days. In the documentary, Palin sets out to accomplish this ambitious feat within the same time frame, utilizing various modes of transportation—from trains and boats to camels and elephants—while experiencing the diverse cultures and landscapes of the countries he visits.

Planning the Journey

The groundwork for the journey is meticulously laid out, reflecting the challenges Fogg faced. The producers of the series aimed to stick as closely as possible to the original route taken by Fogg, with a few modern adaptations. The journey begins in London, where Fogg's adventure starts, and it proceeds through various countries across continents.

Key stops include:

1. France - The journey starts with a train ride from London to Paris.
2. Italy - The adventure continues to cities like Venice and Rome.
3. Egypt - Palin travels along the Nile, focusing on the rich history of this ancient civilization.
4. India - The journey explores the vibrant culture and traditions of India.
5. China - A stop in China reveals the contrasts between urban and rural life.
6. Japan - The experience in Japan highlights modernity and tradition.
7. United States - The journey concludes with a transcontinental trek across America before returning to London.
