Setting Up Your Bissell ProHeat 2X Revolution Pet Pro

Setting up your Bissell ProHeat 2X Revolution Pet Pro is a straightforward process. Follow these steps to ensure it is ready for use:

1. Unboxing Your Cleaner

- Carefully remove the carpet cleaner from its packaging.
- Make sure you have all the components, including the cleaner itself, cleaning solution, and tools.

2. Assembling the Cleaner

- Attach the handle to the base of the cleaner by aligning the slots and pushing it down until it clicks into place.
- Secure any additional tools as indicated in the manual.

3. Filling the Tanks

- Remove the clean water tank by pressing the release button.
- Fill the tank with warm water and add the recommended amount of Bissell cleaning solution.
- Reattach the tank to the cleaner, ensuring it clicks into place.

Using the Bissell ProHeat 2X Revolution Pet Pro

Now that your cleaner is set up, it's time to use it effectively.

1. Preparing to Clean

- Vacuum the carpet thoroughly before using the carpet cleaner to remove loose dirt and debris.
- Identify any tough stains that may require pre-treatment.

2. Cleaning Process

- Turn on the cleaner and select your preferred mode (e.g., Standard or Express Clean).
- Start cleaning by slowly pushing the machine forward to release the cleaning solution, then pull it back to agitate the carpet fibers.
- Repeat the process in overlapping passes until the entire area is cleaned.

3. Addressing Stains

- For stubborn stains, you may use the pet stain tool included with the unit.
- Apply the cleaning solution directly onto the stain and allow it to sit for a few minutes before using

the cleaner to agitate the area.

Maintenance Tips for Longevity

Proper maintenance is crucial for the longevity and efficiency of your Bissell ProHeat 2X Revolution Pet Pro.

1. Regularly Clean the Tanks

- After each use, empty the dirty water tank and rinse it with warm water.
- Clean the clean water tank to prevent residue build-up.

2. Check the Filter

- Regularly inspect the filter for dirt and blockages. Clean or replace it as needed according to the user manual.

3. Maintain the Brush Rolls

- Periodically remove hair and debris from the brush rolls to ensure optimal performance.
- If the brush rolls become worn, consider replacing them.

4. Store Properly

- Store your carpet cleaner in a cool, dry place to prevent any damage to the internal components.
- Keep the cleaning solutions out of reach of children and pets.

Troubleshooting Common Issues

Despite its reliability, users may encounter occasional issues. Here are some common problems and their solutions:

1. Cleaner Not Spraying Solution

- Check the water tank to ensure it is filled and properly attached.
- Inspect the solution nozzle for blockages and clean if necessary.

2. Stains Not Being Removed

- Ensure you are using the correct cleaning solution and that it is not expired.
- Pre-treat tough stains and allow the solution to sit before cleaning.

3. Excessive Water Remaining on Carpet

- Check that the cleaner is in the correct mode (Standard or Express).
- Make sure you are making slow, overlapping passes to allow for proper suction.

Safety Information

To ensure safe operation of your Bissell ProHeat 2X Revolution Pet Pro, adhere to the following safety guidelines:

1. Electrical Safety

- Always plug the unit into a grounded outlet.
- Avoid using an extension cord to prevent overheating.

2. Handling Cleaning Solutions

- Keep cleaning solutions out of reach of children and pets.
- Follow the manufacturer's instructions for dilution and application of cleaning solutions.

3. General Safety Precautions

- Do not use the cleaner on wet or damp carpets.
- Ensure the carpet is dry before allowing pets to walk on it.
