"Bullet Train" is rated R, indicating that it is restricted to viewers aged 17 and older unless accompanied by an adult. What Does an R Rating Mean?

An R rating signifies that the film contains material deemed inappropriate for children under 17 without adult supervision. For "Bullet Train," this includes frequent use of strong language, graphic violence, and certain adult themes. Various rating boards such as the MPA in the U.S., the British Board of Film Classification (BBFC) in
