Important Entries and Themes

While the dictionary covers a multitude of entries, certain themes and concepts are particularly significant in the context of Catholic theology.

1. Covenant

The concept of the covenant is central to the biblical narrative. The dictionary elaborates on various covenants made between God and humanity, including:

- Noahic Covenant: God's promise to Noah after the flood.
- Abrahamic Covenant: The promise made to Abraham regarding his descendants.
- Mosaic Covenant: The laws given to Moses at Sinai.
- Davidic Covenant: The promise of an everlasting kingdom through David's lineage.
- New Covenant: Established through Jesus Christ, fulfilling and transcending the previous covenants.

2. Sacraments

The dictionary discusses the sacraments as vital means of grace within the Catholic Church. Key sacraments include:

- Baptism: Initiation into the Christian faith.
- Eucharist: The source and summit of Christian life.
- Confirmation: Strengthening of the Holy Spirit.
- Reconciliation: Healing through confession of sins.
- Anointing of the Sick: Spiritual and physical healing.
- Holy Orders: The sacrament of ministry.
- Matrimony: A covenantal relationship blessed by God.

Each sacrament is explored in terms of its biblical foundations, theological significance, and role in the life of the Church.

3. Mary and the Saints

The role of Mary and the saints in Catholic theology is also extensively covered. The dictionary addresses:

- Marian Dogmas: Such as the Immaculate Conception and Assumption, providing biblical support for these doctrines.
- Communion of Saints: The belief in the intercession of saints and the unity of believers, living and deceased.
- Veneration of Saints: The practice of honoring saints as models of holiness and intercessors before God.
