Understanding the CDL Permit in Missouri

Before diving into practice tests, it's essential to understand what a CDL permit is and why it is necessary. In Missouri, there are different classes of CDLs, which are classified as follows:

- **Class A:** This license allows you to operate any combination of vehicles with a gross vehicle weight rating (GVWR) of 26,001 pounds or more, including a towed vehicle weighing more than 10,000 pounds.
