How to Play "Jar of Hearts"

Now that you're familiar with the chords, let's break down how to play "Jar of Hearts" step by step.

Step 1: Intro

The introduction sets the mood for the song. Start with the following chord progression:

- Em - C - G - D

Play each chord for about four beats before transitioning to the next one. This gives you a chance to feel the rhythm and atmosphere of the song.

Step 2: Verse

The verses follow the same chord progression as the intro. Repeat the progression:

- Em - C - G - D

Focus on your strumming pattern. A common pattern for this song is down-down-up-up-down-up, but feel free to adapt it to your style.

Step 3: Chorus

The chorus brings a lift to the emotional intensity. Use the same chords but change the order slightly for a more dynamic sound:

- C - G - D - Em

Again, strum each chord for four beats, but you can add a bit more energy to your strumming here to emphasize the emotional peaks of the song.

Step 4: Bridge

The bridge introduces a new flavor to the song. Here, you can incorporate a slightly different chord progression:

- Em - G - C - D

This progression creates a sense of tension before returning to the chorus.

Strumming Patterns

A good strumming pattern can enhance your performance of "Jar of Hearts." Here are a couple of patterns you can try:

Basic Strumming Pattern

- Down, down, up, up, down, up

This pattern works well for both the verses and the chorus. It provides a consistent rhythm and allows you to focus on the lyrics.

Emotional Strumming Pattern

For a more emotional feel, try varying your dynamics. Start softly during the verses and build up to a more vigorous strum during the chorus. This technique can help convey the song's heartfelt message.

Tips for Practicing

To master "Jar of Hearts," practice is key. Here are some tips that can help you along the way:

1. **Start Slowly:** If you're new to these chords or strumming patterns, begin by playing at a slow tempo. Gradually increase your speed as you become more comfortable.
2. **Use a Metronome:** Practicing with a metronome can help you keep a consistent tempo, which is crucial for keeping the song's rhythm.
3. **Record Yourself:** Listening to recordings of your playing can provide valuable feedback. You'll be able to identify areas needing improvement.
4. **Play Along with the Song:** Once you feel confident, try playing along with Christina Perri's original track. This will help you stay in time and develop your ear for the song.
