Conan Exiles AOC Quest Guide

Conan Exiles is an expansive survival game set in the brutal world of Conan the Barbarian. Among the various mods and expansions, Age of Calamitous (AOC) stands out, offering a wealth of new content, including quests that deepen the gameplay experience. This guide aims to provide a comprehensive overview of the AOC quests, detailing how to approach them, what rewards to expect, and tips to ensure your success in this treacherous world.

Understanding the Age of Calamitous Mod

The Age of Calamitous mod introduces new mechanics, factions, and lore to Conan Exiles. It expands the game with:

- New NPCs and followers
- Unique crafting recipes and items
- A rich storyline with various questlines
- A more complex world with added gameplay challenges

This mod is essential for players looking to enhance their experience and explore new facets of the game.

Types of AOC Quests

AOC quests can be categorized into several types:

Main Quests

These quests are central to the AOC storyline. They often require players to engage with various NPCs, explore new areas, and complete significant challenges.

Side Quests

Side quests are optional but provide valuable rewards and lore. They often involve smaller tasks that contribute to the overall experience within the mod.

Faction Quests

As players align with different factions in the Age of Calamitous, they will unlock unique faction quests. These quests often involve tasks that further the player's standing within the faction and provide exclusive rewards.

Daily Quests

These quests are available every day and offer a quick way to earn resources and experience. Completing daily quests can significantly boost your progress in the game.

Getting Started with AOC Quests

To embark on your AOC questing journey, follow these steps:

1. **Install the AOC Mod:** Ensure you have the Age of Calamitous mod installed correctly. This can be done via the Steam Workshop or the mod's official website.
2. **Create or Join a Server:** You can either create your own server with the AOC mod or join a community server that has it installed.
3. **Familiarize Yourself with the New Mechanics:** Spend some time understanding the new crafting systems, factions, and NPC interactions introduced in the AOC mod.

Tips for Completing AOC Quests

Completing quests in the Age of Calamitous can be challenging, especially for new players. Here are some tips to help you succeed:

1. Understand Your Faction

Aligning with a faction can significantly impact your questing experience. Each faction has a unique set of quests and rewards. Choose one that aligns with your gameplay style and preferences.

2. Prepare for Combat

Many AOC quests involve combat, whether against NPCs or other players. Make sure you have:

- Adequate weapons and armor
- Healing items

- Companions or thralls to assist you in battle

3. Explore Thoroughly

The world of Conan Exiles is vast, and many quests require exploration. Take the time to discover new locations, as many quests may lead you to hidden treasures or important NPCs.

4. Utilize Resources Wisely

Gather resources and craft items that will aid you in your quests. This includes food, potions, and crafting materials that can improve your gear.

5. Team Up

Some quests can be particularly challenging when attempted solo. Consider teaming up with friends or other players to tackle tougher quests together.
