This article explores the film's plot, its critical reception, the performances of the cast, and the lasting impact it has had on popular culture.

Plot Overview

"A Few Good Men" centers around the court-martial of two U.S. Marines, Lance Corporal Dawson and Private First Class Downey, who are accused of murdering a fellow Marine, Private Santiago. The film opens with Santiago's death on a U.S. naval base in Guantanamo Bay, Cuba. As the legal proceedings unfold, military lawyer Lieutenant Daniel Kaffee, played by Tom Cruise, is assigned to defend the accused Marines. He is joined by his colleague Lieutenant Commander JoAnne Galloway, portrayed by Demi Moore.

As Galloway, Moore brings a strong sense of integrity and determination to the case. She believes that Santiago was a victim of a "code red"—an unofficial disciplinary action carried out by the Marines. The film's tension builds as Kaffee, initially more interested in plea deals than a courtroom battle, begins to uncover the truth behind Santiago's death and the larger issues of military ethics and accountability.
