Mastery of these pronouns is vital for forming coherent and natural sentences, particularly in spoken Spanish.

There are six primary direct object pronouns in Spanish, each corresponding to the person and number they replace:

- **me** – me
- **te** – you (informal singular)
- **lo** – him, it (masculine singular), you (formal singular, masculine)

- **la** - her, it (feminine singular), you (formal singular, feminine)
- **nos** - us
- **os** - you all (informal plural in Spain)
- **los** - them (masculine plural), you all (formal plural, masculine or mixed group)
